May 2016

Based on our **Impact Investment Ready Service** we offer you **instruments of support and funding**:

- **Grants** within the Investments 0.5% program (financing from income tax), cross-border donation network Transnational Giving Europe – TGE program, Giving Tuesday, SMS donations and Round up financial instruments (www.zaokrozi.si),
- **Bridge loans** (TISE, Sparkasse Bank d.d.) are intended for pre-financing the programs, which already have assured resources (eg. EU projects, public funding), but come across the lack of liquidity for implementation,
- **Impact Microcredits** provided for starting or expanding social entrepreneurial activities enable access to funds in the amount of 25,000 EUR using mass guarantees, which reduce the risk of non-repayment,
- **Social Investments** from European Social Entrepreneurship Funds – EuSEF, intended for financing socially beneficial activities, including Social Investment Fund for Central and Eastern Europe (SIF CEE),
- innovative instruments of **Impact Bonds** intended for financing activities that with socially effective implementation generate savings for public purse,
- regional innovation schemes of social investments and accessible financial instruments **Regional Impact Scheme – RIS**, that we develop in collaboration with municipalities and local or regional partners,
- since 2012 we co-organize **annual competitions of social innovation**, at which presentations of social innovation take place and support can be gain, and we also yearly co-organize **Days of Social Economy**
- we are partner in **Dplac** in Ljubljana, accelerator for social entrepreneurship (www.dplac.si) and co-establisher of **ZEBRA** – Cooperative for ethics in banking (www.ebanka.si)
- we support also other innovative social undertakings, eg. **Impact Tourism** (www.impact-tourism.net) and participate in different projects (eg. PROFIT 2016-2018)
